The Great Blood Cleanser and Toner For Men and Women

We can do our best only when we are at our best and not when we feel RUN DOWN and DYSPEPTIC.

The greater number of persons afflicted with Dyspepsia are to be found among the careworn business people and ardent students, with those confined to sedentary habits. There can be no doubt that sedentary habits concur with

mental excitement in producing the disease. The effect of mental excitement, worry (from any cause) or disquietude in producing Dyspepsia, is greater than is generally supposed.

# Cinseng || Compound

Ginseng Compound is a nutritive food and body builder that goes direct to the nerve centers, restores them to perfect health and vigor. It developes an appetite and enables the stomach to quickly convert all food into rich, life giving blood.

### Two Different Effects

The quality of food is very largely determined by the ingredients in the baking powder with which it is made. Cream of tartar baking powders, such as Royal, add only healthful qualities to the food.

The cream of tartar of Royal Baking Powder as used in food has the same wholesome effect on the digestive system as the cream of tartar in grapes, from which it is derived.

On the other hand, it is in evidence that objectionable mineral residues exist in food made with alum or phosphate baking

There is a clause on baking powder labels which names all the ingredients. Read it and let it
